

## Social Events Of The Past Week

### Presbyterian Aid—

The Presbyterian Ladies' Aid was most pleasantly entertained on Thursday afternoon by Mrs. Frank Simmons in her home on Third street. Among the items of business taken up was the planning of an ice cream lawn social to be held next Friday evening at the home of Mrs. Anna DeOlivera for the benefit of the Aid local fund. During the social hour the hostess served delicious ice cream and cake.

Those who enjoyed this occasion were: Mesdames Shields, Liebendorfer, Gaudin, Richey, Richey, Sr., Cavell, Gerhardt, Chambers, Reuff and Miss Boos.

### W. C. T. U. Re-organized—

The Womans' Christian Temperance Union met on Tuesday afternoon at the home of Mrs. J. E. Manney, and reorganized. New officers were elected as follows: President, Mrs. J. E. Manney; Secretary, Mrs. Hopper; treasurer, Miss Bonn; and Press Reporter, Mrs. Rusby. The meetings will be held on the Second and Fourth Tuesdays.

An interesting feature of this meeting was the presence and helpful talk of Mrs. Moore, one of the state temperance workers. At the close of the business session the hostess served light refreshments.

### Baptist Ladies' Aid—

The members of the Baptist Ladies' Aid held their regular business meeting on Thursday afternoon at the home of Mrs. D. F. Hale. After the customary business details were attended to, a pleasant social hour closed the meeting.

The ladies present were: Mesdames Schaefer, Woods, Whitmore, Ritz, Dimmick, Allen, Lawson, Rusby, Pankoff, Paes, Meeker and the hostess.

### Christian Ladies Meet—

The ladies of the Christian church held an informal meeting at the church on Thursday afternoon, and while only a few were in attendance, the faithful few may be assured—yet with the help of A. H. Mahon plans were put on foot for a church reception to be held in the near future, the exact date to be announced later.

### Ball at Evans' Opera House—

On Thursday night the management of the Opera House gave one of the popular dances which as usual was well attended and a pleasant time reported by the participants.

The music was furnished by Prof. Cordes' orchestra and was exceptionally good.

### B. Y. P. Social—

The young people of the Baptist church held a very successful social meeting at the home of Mrs. Stark on Tuesday evening. A full attendance and pleasant time is reported by those who attended.

### BIG DAY AT KIRK

The "Old Time Georgia Camp Meeting" is now spoken of by our fathers and mothers as a thing of the past when people came from miles around bringing their dogs and children and cooking utensils prepared to camp and

dine there on last Saturday. The pit is twenty-four feet deep with a diameter of twelve feet. In every respect, it is a remarkably neat piece of work.

D. C. Brownlee, R. E. Parker, and F. B. Ross returned on Saturday from Woodward, Texas, where they have been working in the harvests during the past two months.

F. J. Ivex, who left here a week ago, Childrens, Texas, has exhibited his books which he failed to sell in the first few days, for two lots in Dallas.

The Randolph school will be taught by Miss Caroline Bell. Miss Bell is a native of New York, is educated from one of its reputed schools. Until recently she has been teaching in Arkansas. Our neighbors, the Winkles, are to be congratulated on their new teacher.

Business quotations began from twenty dollars per ton, but have risen to one hundred. This ought to be good territory for the buyers. There will be five hundred acres taken in this immediate vicinity.

### SOCORRO COUNTY COMMIS- SIONERS BORROW MONEY

According to Books of Treasurer Not a Cent of this Sum Ever Was De-  
posited With Him

Since the August 29, N. M., the annual quarterly meeting of the commissioners of Socorro county, a large majority report of Auditor dated to the October, the county commissioners Socorro county authorized their auditors and debt to borrow from the sum of \$50,000 at Magdalena the sum

sums at the next biennium that could be borrowed.

The records of this sum were released for the court-house repairs at a cost of \$10,000, a resolution of the commissioners being that the same

be expended at the rate of ten per cent.

This amount was expended at the rate of ten per cent to the court-house, the original sum. On the same date the auditor reports that the commissioners of Socorro county have spent \$10,000 for court-house repairs.

This amount, states, is the only sum in possession of Socorro county treasurers they believe have had been expended.

The proceeds of the loan, as the commissioners have been placed in the county treasury and credit appears to be given of the county treasurer. The commissioners of Socorro county deposited to the credit of Socorro county by Dr. W. L. Jones, auditor, and subsequently transferred to the court-house, the sum of \$10,000 for court-house repairs.

With resolutions where the credit has been given to the court-house, the commissioners of Socorro county should be repaid not less than \$10,000 and all sums had been used before the court-house was a model with and in fact as a sort of public service to the court-house was repaid.

It is believed that the commissioners of Socorro county will be compelled to pay the amount of \$10,000 to the court-house, as the court-house is not well tended property.
